

Preliminary Programme
Wednesday, January 14th, 2026

SOLEIL Auditorium - Main Building

10:00 - 17:00 **Workshop Radiation Damage – S2UO** (*Amélie BORDAGE, Charlotte CATROUILLET, Simona RANERI, Amélia Suzuki, SOLEIL staff*)

Preliminary Programme Thursday, January 15th, 2026

SOLEIL Auditorium - Main Building

09:00 - 10:00 Registration & coffee

10:00 - 10:10 **Welcome / Introduction, S2UO Chair** – Amélie BORDAGE

10:10 - 10:50 **SOLEIL General Director talk** – Jean SUSINI

10:50 - 11:35 **PLENARY TALK – SOFT MATTER**

11:35 - 12:05 **SOLEIL Science Directors talk** – Eva PEREIRO, Amina TALEB

12:05 - 12:30 **Open questions session** - S2UO, AFURS, ESUO, PRC

12:30 - 14:00 *Lunch*

Parallel sessions (Oral communications) – 5 different rooms

- | | |
|---------------|---|
| 14:00 - 15:45 | <ul style="list-style-type: none"> • Structural Biology (Synchrotron Beamlines and CryoEM) • Chemistry & Soft Matter (Characterization of structure and properties of chemical materials, reactivity, catalysis, chemical surfaces and interfaces / Soft matter) • Diluted matter • Geosciences / Environment / Cultural Heritage • Physics & Advanced Materials (Structural, electronic and magnetic properties of matter / Physical surfaces and interfaces) |
|---------------|---|

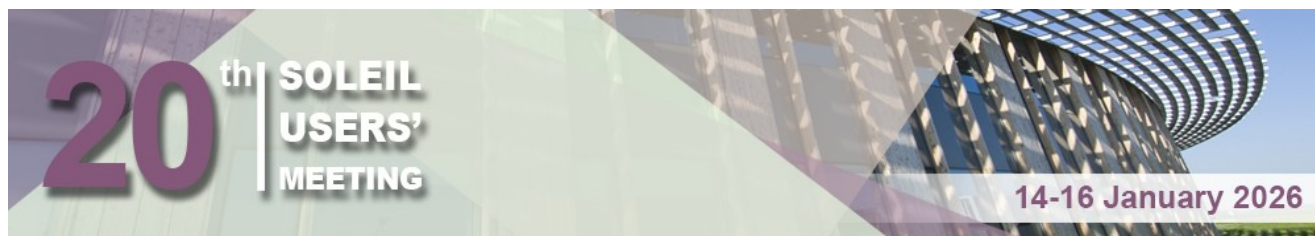

15:45 - 16:15 *Coffee break*

Parallel sessions (Oral communications and Flash posters) – 5 different rooms

- | | |
|---------------|--|
| 16:15 - 18:30 | <ul style="list-style-type: none"> • Biology and Health • Chemistry & Soft Matter (Characterization of structure and properties of chemical materials, reactivity, catalysis, chemical surfaces and interfaces / Soft matter) • Diluted matter • Geosciences / Environment / Cultural Heritage • Physics & Advanced Materials (Structural, electronic and magnetic properties of matter / Physical surfaces and interfaces) |
|---------------|--|

18:30 - 20:00 **« The Synchrotron Community » Posters session**
Commercial Exhibitors / Aperitif

20:00 - 21:30 *Dinner*

**Preliminary Programme
Friday, January 16th, 2026**

SOLEIL Auditorium - Main Building

- 9:00 - 9:45 **PLENARY – GEOSCIENCES**
- 9:45 - 11:45 **Scientific Posters session - *Coffee break***
- 11:45 - 12:00 **Prize of the best student poster**
Conclusion
- 12:00 - 13:30 *Lunch*
- 13:30 - 15:00 **Visit of 3 SOLEIL Beamlines: DESIRS, PX1, SIXS**
- 13:30 - 16:30 **TEA-XAS Meeting** – Amélie BORDAGE, Charlotte CATROUILLET
SOLEIL Auditorium - Main Building
- Tutorials will be announced on September**
