Deadline for registration: **September 18th, 2026**

The **Workshop Frontiers in Science at SR facilities** will take place at **SOLEIL** on **October 12th and 13th, 2026**.

Its scientific scope is intentionally broad and includes the SOLEIL scientific challenges defined in the Conceptual Design Report and discussed in the science sections of SOLEIL.

The workshop aims to address important science topics and major scientific and societal challenges that could benefit from the future evolution of synchrotron facilities.

For this event, we are offering companies the following:

1-page A4 format and the company logo on the workshop's website at the fixed price of €360.00 inc. VAT (€300.00 ex. VAT).

Companies are requested to book a space online with [the following link](#).
